'23
Beginner

oh

Today 3:46 PM

Lunch tmr?

Sure, what time were you thinking?

11:30?

Shoot, I have class then

Does 12:30 work? I get out at 12:20

Delivered

Maybe not cuz i have class at
12:45. Next time

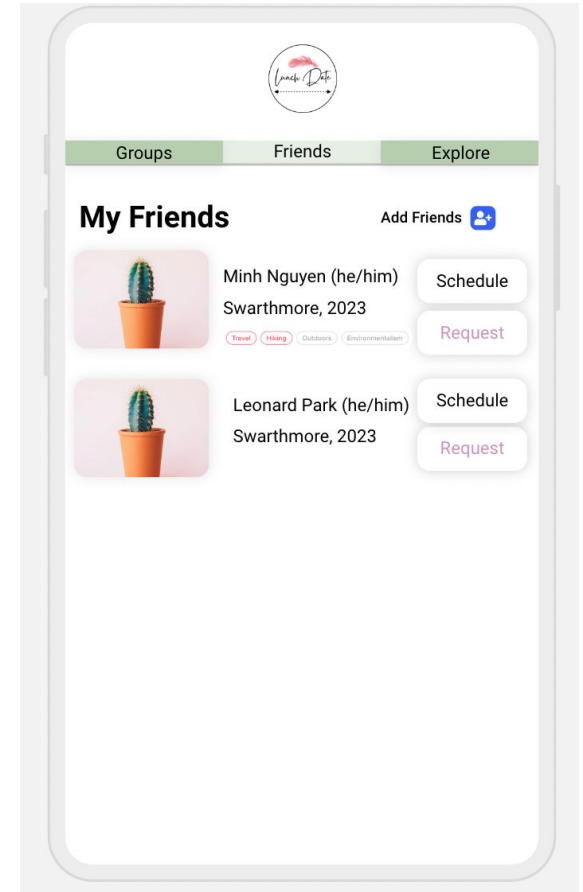

Grab a meal on LunchDate!

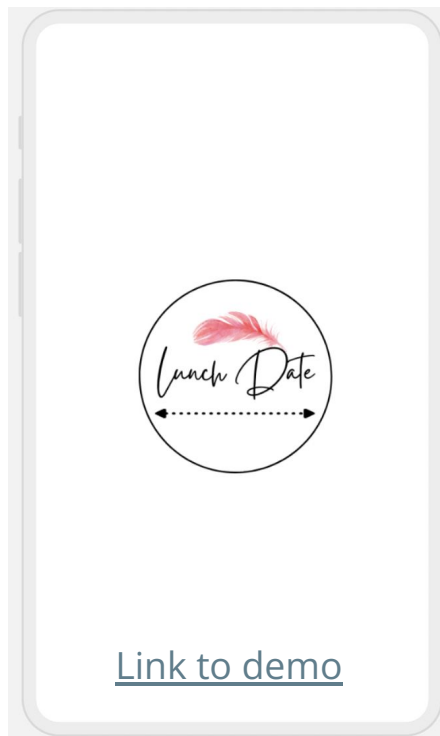

Value Proposition

❏ Utility

- ❏ No need to eat lunch alone
- ❏ Meet new people and make new friends
- ❏ Organizer - Meal planner

Demo

Implementation

Minimum Viable Product: Login, Profile, Explore screens of the demo

Prototype:

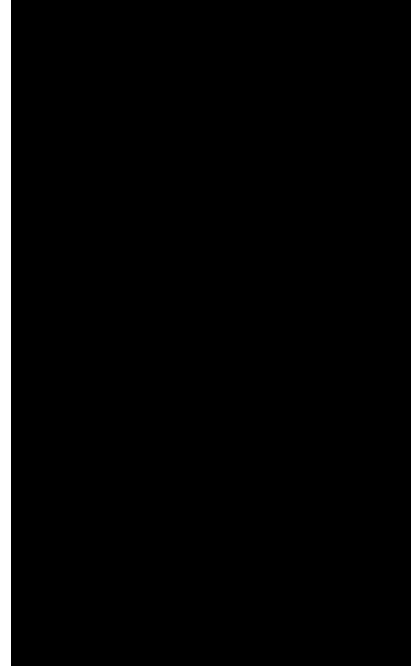

Framework and Front-end: ReactNative

Backend: FireBase

Language: Javascript

Tool: Tailwind (CSS & Html bootstraps)

Challenges: Not enough time to implement back-end user-data and all the features

Moving Forward

Working with TriCo Schools

- ❑ Benefits
 - ❑ Safety
 - ❑ Target Audience - Social Life
 - ❑ Funding
 - ❑ Recruitment

Thank you for listening

Q&A

Many thanks to Haverford and all the Hackathon
hosts
